PREMIER INVESTMENT OPPORTUNITY

YEAR-ROUND GARDEN VIEWS IN A PROFESSIONAL OFFICE SETTING

Welcome to a well-maintained corporate office building highlighted by a stunning three-storey atrium with a tropical garden and on-site coffee shop, creating a welcoming environment for tenants and visitors. With strong occupancy, modern upgrades, and exceptional visibility at one of Canada's busiest intersections, this property offers an outstanding investment opportunity.

ADDED VALUE: 230 PLUS 115 ADDITIONAL PARKING SPACES

The easement agreement provides 115 additional on-site parking spaces, on top of 230 regular spaces, which significantly strengthens the building's parking ratio— an increasingly scarce advantage in the Mississauga office market.

KEY INVESTMENT HIGHLIGHT

- **Striking 3-storey atrium** featuring lush tropical land scaping and garden benches **High occupancy** – currently 92.4% **Prime location** at HWY 401 with exceptional visibility signage opportunity and access, close proximity to Toronto Pearson International Airport
- **Over \$1 million** invested in recent capital improvements, no need for a capital expenditures in a near future
- **Strong rental income** and stable long-term tenancy
- **3.6 acres lot with added value:** adjacent land with 115 additional parking spaces
